DETAILED ACTION

Election/Restrictions

Applicant's election without traverse of DI in the reply filed on 9/11/2008 is acknowledged.

As to Applicant's traversal of the restriction between A-C and E, the traversal has not found persuasive because there was never a requirement to elect between species A-C and E. Examiner points Applicant to the 2nd paragraph of page 4 of the Restriction requirement mailed 6/11/2008 where it states "Applicant is required under 35 U.S.C. 121 to elect a single disclosed species (ie XI, XII, XIII, ... etc.) from each group (A, B, C, D, and E) for prosecution on the merits. Thus, the restriction is not between groups A-E, but rather between the species (I, II, III, ...) of the groups.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

- Claims 68 -72, 74, 78, 80, and 82-94 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Applicant has no independent claims, and multiple claims depend off themselves.
- Claims 68-72, 74, 78, 80, and 82-94 recites limitations for which there is insufficient antecedent basis the claims as many claims depend off themselves and independent claims are tacking in the elected claims.

With this rejection, Examiner would like to point out that Examiner made attempts on more than one occasion to contact Kenneth Roberts at 949-567-6700, leaving voicemail messages as to the serious Application/Control Number: 10/783,217 Page 3

defect in the claims and offering to put off examination until a supplemental correct set of claims could be

filed. However, as weeks have gone by with no response to the Examiner's attempt to contact the

attorney, Examiner is examining the claims as they are currently filed.

be directed to CATHERINE N. WITCZAK whose telephone number is (571)272-7179. The examiner
